Chapter 1 by mckayladavis

I see the path people want me to take
But I decide to take a different route
That doesn't make me fake
So suck it up and don't pout.

I'll follow your rules
But I find my own careers
I won't be like these other fools
So listen to me with your ears.

You think you own me but let me tell you something you don't
I don't think you will ever understand
You don't get me so I know you won't
So continue in LaLa land.

Say goodbye to the old me
And hello to the new me.

My days are filled with tears
But the sun still shines

I have so many fears
That aren't based on crimes.
